

## Hummina Hummina

Showcasing the Rabbit on HBO's *Sex and the City* certainly got women everywhere buzzing, er, talking about the popular vibrator. But the little pink bunny is old news; luckily Too Timid, an upscale sex shop that opened on Newbury Street in August, carries the latest in faux phalluses. The Pearl Panther (\$46.95) came shortly after the Rabbit's release, but the hummingbird-shaped Elite 7x (\$89.95) rules this animal kingdom, guaranteeing the ultimate orgasm with its seven levels of pleasure and waterproof exterior. All in time for *Sex and the City: The Movie*. Too Timid, 297 Newbury St., Boston (617-431-5080).
